

Name: Connor Pedersen

Age: 14

County: Mchenry

Years In Project: 3

Project Area: Photography

1. What are three things you learned or insights you gained this year from doing this project? 1 how to take a birds eye view 2 adjusting the background and the foreground 3 adjusting where the light was.

2. What would you like to describe or share about your exhibit that we can't see easily in your uploaded photos or documentation?

There is more light in the picture that I printed

3. What steps did you take to complete this exhibit? Wait for the sunset and go to a good spot to take the picture

4. If you did this project again, what would you change or do differently? Go at an earlier time when the sun was still up.

5. How will you apply what you have learned to your life? I

know how to take better pictures.
