# Virtual Call

We were asked to do a demonstration on flower arranging and fairy gardens for Rend Lake College Virtual Youth Camp. Since I did the flower arrangements for farmers market and CEO. This was a free one hour zoom call class that I volunteered my time unpaid to do! I loved seeing the faces and enthusiasm throughout the hour that I gave a virtual tour of our farm and a demonstration on flower arranging!

This was so fun to do with youth in the community! It was a great outreach for our business, The Flower Girls!
