I learned how to show key cards in an appealing way, how to center items and how the background matters

2. What would you like to describe or share about your exhibit that we can't see easily in your uploaded photos or documentation?

In my picture you can't tell that the cards in the picture are hotel keys.

3. What steps did you take to complete this exhibit?

First, I figured out what I was going to show, then I laid them out in an appealing way.

4. If you did this project again, what would you change or do differently?

5. How will you apply what you have learned to your life?
