

Fayette County Fair Exhibit Goal Explanation Sheet/Project Record

Please fill out one goal sheet/project record for each project you do. Bring the completed form with you on Static Judging Day. After the fair, put this completed form along with pictures, clippings and worksheets in your 4-H record keeping system.

Name Anyel Allwood Club Harlan Fremont Grade(completed) 12
Department Creative Arts Class No. 10350 Project Area Visual Arts
Exhibit Description Bike by Fence Painting

1. What did you plan to learn or do? (What was your exhibit goal?)

I usually focus on abstract art but I wanted to try something I needed to be precise one. My goal was to be very picky on the details and tried so hard to make the different shapes in the painting stand out.

2. What steps did you take to learn or do this?

I watched many videos on how to make the knots + grain of wood for the fence. I started on the background after that. I began on the fence + focused a lot on the shading. Lastly, the bike was painted with a careful hand and then the small details were added.

3. What were the most important things you learned?

I learned that it is very important to stay alert when paying attention to proportion. Texture is also a huge aspect to keep an eye on.

Visual Arts, Home Improvement, Sewing or Clothing Exhibits

If your exhibit was a Visual Arts, Home Improvement, Sewing or Clothing exhibit, please fill out the following:

Elements and principals of design: (Circle 2 or more and explain how they were used in your exhibit)

- Design Elements:

Line Shape Color Texture Space

I focused immensely in the element of texture when I added details in the fence as well as the different layers in the wicker basket.

- Art Principles:

Rhythm Proportion Emphasis Balance Unity

I paid a lot of attention on the art principle of proportion when I painted the bike next to the fence.

What I may do in the future related to this project:

I love how this project turned out. I think in the future I would paint this similar project on a larger scale.

Did you share with someone what you did or learned?

I always share my projects with my family + friends as well as my art teacher.

What was your favorite part of this project?

I enjoyed all parts of this project but creating the wicker basket was very interesting and I really enjoyed it.
