

Waving Through A Window

By: Ben Platt and Original Broadway Cast of Dear Evan Hansen

I've learned to slam on the break

Before I even turn the key

Before I make the mistake

Before I lead with the worst of me

Give them no reason to stare

No slippin' up if you slip away

So I got nothing to share

No, I got nothing to say

Step out, step out of the sun

If you keep getting burned

Step out, step out of the sun

Because you've learned, because you've learned

On the outside always lookin' in

Will I ever be more than I've always been

Cause I'm tap, tap, tapping on the glass

Waving through a window

I try to speak but nobody can hear

So I wait around for an answer to appear

I'm watch, watch, watching people pass

I'm waving through a window

Can anybody see

Is anybody waving back at me

We start with stars in our eyes
We start believing that we belong
But every sun doesn't rise
And no one tells you where you went wrong

Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've learned

On the outside always lookin' in
Will I ever be more than I've always been
Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak but nobody can hear
So I wait around for an answer to appear
I'm watch, watch, watching people pass
I'm waving through a window
Can anybody see
Is anybody waving

When you're falling in a forest
And there is nobody around
Do you ever really crash or even make a sound
When you're falling in a forest
And there is nobody around
Do you ever really crash or even make a sound
When you're falling in a forest
And there is nobody around
Do you ever really crash or even make a sound

When you're falling in a forest
And there is nobody around
Do you ever really crash or even make a sound

Did I even make a sound
Did I even make a sound
It's like I never made a sound
Will I ever make a sound

On the outside always lookin' in
Will I ever be more than I've always been
Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak but nobody can hear
So I wait around for an answer to appear
I'm watch, watch, watching people pass
I'm waving through a window
Can anybody see
Is anybody waving back at me
Is anybody waving
Waving, waving, woah, oh
